

Settle for Nothing

Louise

Good mornin'
I miss the mornings of us fallin' in and out of the bed
No talkin', but it's not everything I need
I'm enjoyin' every moment
Yeah, I love it
When I walk in the room, I own it
'Cause I know I'm enough for me

I took my time to get here
And this is where I'll stay
Ain't gonna settle for nothin'

Unless he blows my mind
I don't want nothin', nothin' to regret
Unless he blows my mind
Then I won't be searchin'
'Cause scratchin' the surface ain't gonna cut it

No reason, ain't got no reason
To be feelin' a little down when I'm high
Believe it, I moved on from the heartbreak scene
I'm steady, slow and steady
Winnin' heavy, got no weight on my shoulders lately
I'm better than I've ever been, no

I took my time to get here
And this is where I'll stay
Ain't gonna settle for nothin'

Unless he blows my mind
I don't want nothin', nothin' to regret
Unless he blows my mind
Then I won't be searchin'
'Cause scratchin' the surface ain't gonna cut it

Huh-ha, oh-oh, huh-ha, oh-oh, huh-ha, oh-oh
Settle for nothin'
Huh-ha, oh-oh, huh-ha, oh-oh, huh-ha, oh-oh
Settle for nothin'

(Se-e-e-ettle for nothin', nothin', se-e-e-ettle for nothin')
Settle for nothin'
(Se-e-e-ettle for nothin', nothin', se-e-e-ettle for nothin')
Ain't gonna settle for nothin'

Complete me, take me high
Yeah, I want that extra special in my life
I'm worthy, my heart don't lie
See, I won't be hurtin'
'Cause scratchin' the surface ain't gonna cut it

Huh-ha, oh-oh, huh-ha, oh-oh, huh-ha, oh-oh
Settle for nothin'
Huh-ha, oh-oh, huh-ha, oh-oh, huh-ha, oh-oh
Settle for nothin'
