

# Shut Up & Kiss Me

Louise

Kiss me  
Uh, huh  
Kiss me  
Kiss me

Do you know what I think you know  
And do you know where it leads to now  
You could be the one for me  
But I'm tired of waiting around

One thing, just think  
It's not very hard to do  
I'm gonna be running all my life  
If I leave it all up to you

Shut up and kiss me, kiss me  
Mouth to mouth  
Shut up and kiss me, kiss me  
There's nothing to talk about

Why don't you kiss me? Kiss me  
Something deep and strong  
Shut up and kiss me, kiss me  
I've been waiting far too long

Kiss me, that's right  
Kiss me, that's right  
Uh, huh

You talk too much  
For an easy kinda man  
Come on, just a little too strong  
So I just don't understand

One thing, don't think  
I can read you just like a book  
I've seen you watching me well  
Don't just look

Shut up and kiss me, kiss me  
Kiss me mouth to mouth  
Shut up and kiss me, kiss me  
There's nothing to talk about

Why don't you kiss me? Kiss me  
Something deep and strong  
Shut up and kiss me, kiss me  
I've been waiting far too long

Kiss me  
That's right  
I said a kiss me  
Oh, kiss me  
That's right

Uh, huh, uh, huh  
Uh, huh, uh, huh

I said a kiss me  
Kiss me

Uh, huh, uh, huh  
Uh, huh, uh, huh  
I said a kiss me  
Kiss me

I'm gonna make you, I'm gonna get you  
Gonna get you now  
You're never, never gonna get a chance again  
So I guess, I have to show you how

I'm gonna make you, I'm gonna take you  
Gonna make up your mind  
You're never, never gonna get a chance again  
So let's do it tonight

Shut up and kiss me, kiss me  
Mouth to mouth  
Shut up and kiss me, kiss me  
There's nothing to talk about

Why don't you kiss me? Kiss me  
Something deep and strong  
Shut up and kiss me, kiss me  
I've been waiting far too long

Shut up and kiss me  
(I've been waiting far too long)  
Shut up and kiss me, kiss me  
(Why don't you kiss me)  
Kiss me

Kiss me, kiss me  
Shut up and kiss me  
Shut up and kiss me, kiss me  
Shut up and kiss me, kiss me  
Kiss me mouth to mouth

Shut up and kiss me, kiss me  
There's nothing to talk about  
Why don't you kiss me? Kiss me  
Something deep and strong  
Shut up and kiss me, kiss me
