

Straight to My Heart

Louise

I can hear you talkin' a million miles away
Distance don't mean nothing, still miss you every day
I know it's just temporary
Till you'll be comin' back to me

We can talk with our bodies, baby, any way that you like
Travelin' the whole world now, baby, London, Paris, NY
Come a little closer to me, say you'll never leave
'Cause I wanna make you see

When you're with me, I can't fight the way I'm feelin'
Fallin' deeper every time, I'll admit it
Won't hide away anymore, I ain't got shame
Ready now? Run and take aim
And slingshot, slingshot straight to my heart
When you're with me, I can't fight the way I'm feelin'
Fallin' deeper every time, I'll admit it
Won't hide away anymore, I ain't got shame
Ready now? Run and take aim
And slingshot, slingshot straight to my heart

Simple things get harder when you're not around
Empty hours wasted, TV's fadin' out
Concentration; well, mine's wearin' thin
So when you comin' back again?

We can talk with our bodies, baby, any way that you like
Travelin' the whole world now, baby, London, Paris, NY
Come a little closer to me, say you'll never leave
'Cause I wanna make you see

When you're with me, I can't fight the way I'm feelin'
Fallin' deeper every time, I'll admit it
Won't hide away anymore, I ain't got shame

Ready now? Run and take aim
And slingshot, slingshot straight to my heart
When you're with me, I can't fight the way I'm feelin'
Fallin' deeper every time, I'll admit it
Won't hide away anymore, I ain't got shame
Ready now? Run and take aim
And slingshot, slingshot straight to my heart

Yeah, yeah, yeah, yeah, yeah, yeah, ooh
Yeah, yeah, yeah, yeah, yeah, yeah, ooh
Yeah, yeah, yeah, yeah, yeah, yeah, ooh
Slingshot, slingshot straight to my heart

'Cause in all honesty, I guess lonely's a friend of mine
Layin' here in my bed every night
Count the hours and days, I get carried away thinkin' 'bout

When you're with me, I can't fight the way I'm feelin'
Fallin' deeper every time, yeah, I'll admit it
Won't hide away, oh
You got that slingshot, slingshot straight to my heart
When you're with me, I can't fight the way I'm feelin'

Fallin' deeper every time, I'll admit it (Fallin' deeper every time)
Won't hide away anymore, I ain't got shame (No, no)
Ready now? Run and take aim
And slingshot, slingshot straight to my heart (Oh, oh, yeah)

Yeah, yeah, yeah, yeah, yeah, yeah, ooh (Oh, oh)
Yeah, yeah, yeah, yeah, yeah, yeah, ooh
Yeah, yeah, yeah, yeah, yeah, yeah, ooh
Slingshot, slingshot straight to my heart
