Empty

Love and Death

I hear the words you say
With your twisted tongue
Careless venom

I live caught in your web
There's a tug on the line
And you eat me alive

Tell me how you're better than I
Why are you so empty inside?
You'll never ruin me!!

Use me as your own device…
You beat me down…
With your judgments…

And I bought what you sold…
It cost everything…
And it's left me… alone…

Tell me how you're better than I…
Not better! Not better!, NO!
Why are you so empty inside?

You haven't got a clue!
I've wiped my hands of you!
Tell me how you're better than I…
You'll never ruin me!!

You look so innocent
You're screaming, I'm not listening
YOU'LL NEVER RUIN!
You'll never ruin me!!

I FEEL!
SO MUCH!
TORTURE!
FROM YOUR WORDS!

I FEEL!
SO MUCH!
TORTURE!
FROM YOUR WORDS!

Remove the stain of your curse
The trace of your smell is decaying
Discard the weight of the guilt
You'll find no remorse
You'll be left hollow

Tell me how you're better than I
NOT BETTER! NOT BETTER!, NO!
Why are you so empty inside?

You haven't got a clue!
I've wiped my hands of you!
Tell me how you're better than I

You’ll never ruin me!!

I FEEL!
SO MUCH!
TORTURE!
FROM YOUR WORDS!
