

## Can't Stop Smiling

Love and Theft

Cloudy days been lookin' like blue skies to me  
Hell a hurricane's kinda like floatin' on a breeze  
People wanna know why I'm lookin' like this  
Maybe it's her laugh  
Maybe it's her walk  
Maybe it's her kiss

[Chorus:]

But I can't stop, can't stop smiling  
I can't stop, can't stop smiling  
No, I don't know what she's doin' to me  
But I like it  
No I don't know what she's doin' to me  
But I love a little more of it  
Cause I can't stop, can't stop smiling  
I can't stop, can't stop smiling

I caught myself lookin' at the sunset a little longer  
Just for fun I'm pourin' my drinks a little stronger  
I ain't gonna lie I think that I could get used to this  
I can't keep my eyes off of her eyes  
My lips off her lips

[Chorus]

Since you came in my world  
It's like I'm walkin' on a different planet  
Don't know where you came from, girl  
But ever since you landed  
I can't stop, can't stop smiling  
I can't stop, can't stop smiling

[Chorus]
