

# You Didn't Want Me

Love and Theft

Hey, baby, why you look so sad?  
I should be the one feeling like that  
You told me I was holding you back  
I let you go, let you do your thing  
Hiding my feelings try to play your game  
With my heart baby it ain't okay

'Cause you didn't want me, you didn't want me  
When I was whatever you needed me to be  
You didn't want me, you didn't want me around  
And now you calling me up, calling my bluff  
Wondering if I've given you up  
You didn't want me 'til she came around

Maybe it's the lonely day that changes you, babe  
You left me in a pouring rain  
Gave me no explanation, just blurring my vision  
Those sweet sunsets, nights we'll never forget  
Oh, yeah, you're thinking now, maybe you're wishing it was you  
and me

Is it that you can't seem to stand  
Seeing us happy, holding hands  
Or do you really, really want me again  
I hope you don't think that I can't see  
The spell you trying to put on me  
But it's too late, I'm sorry, baby

'Cause you didn't want me, you didn't want me  
When I was whatever you needed me to be  
You didn't want me, you didn't want me around  
And now you calling me up, calling my bluff  
Wondering if I've given you up  
You didn't want me 'til she came around

Maybe it's the lonely day that changes you, babe  
You left me in a pouring rain  
Gave me no explanation, just blurring my vision  
Those sweet sunsets, nights we'll never forget  
Oh, yeah, you're thinking now, maybe you're wishing it was you  
and me

You didn't want me, you didn't want me  
Don't make this any harder than it needs to be  
You wanted to be free, now you're wishing it was you and me
