

Rain

LOVE PSYCHEDELICO

Rain
town
stone
trace
flame
cloud
walk in the daydream
Oh, you make me feel
Oh, make me real
magic
I know
square
round
little bit deep gray
why
dry
Rainie
Oh, you make me feel
Oh, make me real
phonic
I know
Rain, rain
woman
You're a mysterious woman
Rain
Sunset
moon
slow
oh, shall we dance
fire
higher
lady
Oh, don't make me blue
Oh, you make me blue
logic
I know
Rain, rain
Come on
You're a mysterious woman
Rain

Love
time
come on

sunshine
Rain
Come on
You're a mysterious woman
Rain
You call me again
