

## And More

Love

Love me for a little while  
Love me if you can  
'Cause I want to be your man  
And I want to understand You  
Ah...

If you try to follow, girl  
Please stay close behind  
'Cause I want to be with you  
And I want to love you too  
Or three

Ah, ah, ah  
Ah...  
Ah, ah, ah

I don't want to waste your time  
I just want to make you mine  
Ah... whoa-oh-ah

One, two, three, four, I love you  
And I always will  
'Til the sun falls off the sky  
Gonna love you 'til I die  
And more

Ah, ah, ah  
Ah...  
Ah, ah, ah
