

## August

Love

I said August is all that I know  
It's with me where ever I go  
It's with me when I need a friend  
It brings me good weather  
It keeps me together  
It picks me up when I'm down

Good evenings, I love you, I do  
I'll share all my dinings with you  
But I can't help from wondering why?  
You are so good to me  
You do good things for me  
You pick me up when I'm down
