

Can't Explain

Love

Can't explain
Nothin' seems to be goin' right
Can't explain
Nothin' seems to be goin' right

Well now you wake up in the mornin'
Find your poor self dead
Well now you wake up in the mornin'
Find your poor self dead

What a shame
You always want to start a fight
Can't explain
You always want to start a fight

Well now you wake up in the mornin'
Find your poor self dead
Well now you wake up in the mornin'
Find your poor self dead

Let it go, what I say, yeah
Can't explain
You always want to start a fight
Can't explain
You always want to start a fight

Well now you wake up in the mornin'
Find your poor self dead
Well now you wake up in the mornin'
Find your poor self dead

Let it go, one more time, yeah
