

## Good Times

Love

It's gonna be alright  
It's gonna be alright  
It's gonna be alright  
In the morning I know that you're gonna have a good time!  
You're gonna have a good time!  
No more bad times  
Only good times

We're gonna dance some more  
So stay out on the floor  
We're gonna dance some more in a moment  
I know that you're gonna have a good time  
You're gonna have a good time!  
No more bad times, give me the good times

It's gonna be alright  
It's gonna be alright  
It's gonna be alright in the morning  
I know that you're gonna have a good time!  
You're gonna have a good time!  
Good times, good times...
