

Nothing

Love

When I was young and so were you
We thought about what we would do
And time went on
And through the dawns
I saw the true meanings of you
Meanings like...

White floating clouds up in the sky
White floating clouds were passing by
And through the winds
That never end
I see the true meaning of you
The meaning is...

I like to smile, I like to ride
I like to feel the moving tide
And in the night
I feel secure
To know the true meaning of you
Has got to be...
