

Talking Monkeys

Loveable Rogues

So foolish boy with your big aspirations,
No second best you've got good in your heart,
Just play it cool,
Just play it cool,
No talking monkeys, be smart

Get suited and booted like an older man, I've even wrote down m
y retirement plan,
A wife and two boys called Alfie and Riley, a house in Epping w
here we can live nicely,
Got a job where I sell stocks, I got to Selfridges to buy new s
ocks,
Candlelit dinner 'cos I won rooftops, pay the babysitter make h
er stop the clocks
Now I'm not saying that you can't be crazy but who wouldn't wan
t to live like this?

So foolish boy with your big aspirations,
No second best you've got good in your heart,
Just play it cool,
Just play it cool,
No talking monkeys, be smart

(I've come)

I've come this far to know that, there's only one person in thi
s world,
In my eyes, I've tried to hid these feelings but I'm feeling si
lly billin'
And I'm feeling it trapped inside

So foolish boy with your big aspirations,
No second best you've got good in your heart,
Just play it cool,
Just play it cool,
No talking, no talking, no talking monkeys,

So foolish boy with your big aspirations,
No second best you've got good in your heart,
Just play it cool,
Just play it cool,
No talking monkeys, be smart

So foolish boy with your big aspirations,
No second best you've got good in your heart,
Just play it cool,
Just play it cool,
No talking monkeys, be smart
