

Hang On

Lovebugs

Tell me tell me tell me how you doing
'cause I don't know don't know don't know what I'm feeling
All about you 'bout you 'bout you I don't really
Understand you stand you stand you if you only could
tell me tell me tell me how you're thinking
'cause I'm dying dying dying when I see you and I
Wonder wonder wonder why you never
Really really really can show me
why you can't never let it happen
Why you don't never say it's alright
Why you can't never let it happen
hang on hang on hang on just a minute and
Spare me spare me spare me with your stories cause I feel
Lonely lonely lonely more than ever and
Unhappy happy happy when I'm with you comon and
hate me hate me hate me like I hate you
Love me love me love me like I love you and I
Wonder wonder wonder why we just can't
Leave it leave it leave it for a little while
