

# Jennifer Beals

## Lovebugs

You'll never get to heaven like this  
Your father used to preach  
So many lessons you had to learn  
No one could ever teach  
You've been working all day  
Dreaming your life away  
Waiting for the nights to fall  
Light as a feather  
No matter the weather  
You still got it all

Oh oh oh, oh oh oh  
Like Jennifer Beals  
Nothing really matters when you dance  
Oh oh oh, oh oh oh  
That's how it feels  
All you gotta do is take a chance

You were paying the price  
You fell hard once or twice  
Still it never was a tough call  
You've been toiling away  
To get your chance one day  
Always looking for the next best ball  
Light as a feather  
A rose in the heather  
You still got it all

Oh oh oh, oh oh oh  
Like Jennifer Beals  
Nothing really matters when you dance  
Oh oh oh, oh oh oh  
That's how it feels  
All you gotta do is take a chance

The sooner the better  
It all comes together  
The sooner the better  
It's your curtain call

Oh oh oh, oh oh oh

You wanna dance  
Like Jennifer Beals  
Yeah, that's how it feels  
Like Jennifer Beals  
Nothing really matters when you dance

You'll never get to heaven like this  
Your father used to preach  
You'll never get to heaven like this  
No one could ever  
No one could ever teach

You never cared 'bout a word he said  
You've got your heaven inside
