

## Candy

Lovedrug

Five to three, walls of candy, sign my name on the dotted line  
next to yours, you found the ways to move  
faster and stay healthy no contra, all these words are just a matter of time

You're like a snake in the water, with shiny skin, a clear conscience,  
venoms fade in just a matter of time, in just a matter of time, a matter of time

And too cold for kisses, cause i've fallen from heaven, your halo is just a punch in my face  
you're all the rage, you're all the fun, but ever if you cross me I'll get you,  
sweet revenge is just a matter of time, it's just a matter of time, a matter of time

And so you're striking but you're savage when you cut into my beautiful infection,  
but I can't help like it when we touch, oh haven't we reaped enough to fill this room  
with sweet love
