

## DANGEROUS

Lovedrug

We are the salt of the earth  
Each correction makes us stronger  
Been happening since our birth  
We'll absconder in our happiness, yeah

Voyage up my river  
What doesn't kill it makes it stronger  
I make the ghoulies go shiver  
Full of tears this is happiness, yeah

This is dangerous  
Don't hide your eyes  
You'll endanger us  
This is dangerous  
Don't hide your eyes  
You will anger us

We are the salt of the earth  
Unlike those suits with all their noises  
What's hypocritical worth?  
Corporate cowards with no more choices
