

Counterfeit

Lovehammers

I am exactly like them
Counterfeit personality I will pretend
Take what you ask of me
And turn it around into one big mystery

It can't be this way
Guess what man this is reality
I understand you man
It's about time I make my own stand

I know I understand you man
I know it's about time I make my own stand
Cause I'm the man
And you're the woman

Tired of doing the same thing
You're gonna do it again, do it again, do it again
Try but I can't change nothing
Gonna try it again, try it again, try it again

It can't be this way
Guess what man this is reality
I understand you man
It's about time I make my own stand

I know I understand you man
I know it's about time I make my own stand
Cause I'm the man
And you're the woman

I know I understand you man
I know it's about time I make my own stand
I know I understand you man
I know it's about time I make my own stand
It's about time I make my own stand
It's about time I make my own stand
