

Dancing On The Track

Lovehammers

The way you paint the shade upon your lips
So perfect I want to taste the flavor of your kiss
I'm nervous
I'm walking through the sway, the crowd is thick
And I wish you were close so I could get my fix

Dancing on the track
Throwing 'em back
I got a one way ticket
and I'm not looking back
Just a matter of time
I'm gonna make you mine
And I scream
I want you on me

Dance dance dancing on the track
Dance dance dancing on the track

I feel alive, let go of all your fear
With one wish all your problems slowly disappear
Yeaaaaah

Dancing on the track
Throwing 'em back
I got a one way ticket
and I'm not looking back
Just a matter of time
I'm gonna make you mine
And I scream
I want you on me

Dance dance dancing on the track
Dance dance dancing on the track
Dance dance dancing on the track
I want you on me

Dance dance dancing on the track
Dance dance dancing on the track

The way you paint the shade upon your lips
So perfect I want to taste the flavor of your kiss
Yeaaaaah

Dancing on the track
Throwing 'em back
I got a one way ticket
and I'm not looking back
Just a matter of time
I'm gonna make you mine
And I scream
I want you on me

Dance dance dancing on the track
Dance dance dancing on the track
Dance dance dancing on the track
I want you on me

Dancing on the track
Dancing on the track
Dancing on the track
I want you on me
