

## Going Crazy

Lovehammers

It's time now, oh ohhhh

I recall the conversation we had last night  
I'm sorry to say it was our last goodbye  
And I don't regret anything I said  
But I can't believe I did to you what I did

And I'm so far gone  
I know I'll never get home  
And I'm always feeling like I did something wrong  
And after all this time, trying to be someone  
Well, look at what I've become

Tell me I'm not crazy, no  
Tell me I'm not crazy

I still think about you all the time  
When I wake up the first thing on my mind  
All the moments you stood by my side  
And I wish I could bring us back to life

And I'm so far gone  
I know I'll never get home  
And I'm always feeling like I did something wrong  
After all this time, trying to be someone  
Well, look at what I've become

Tell me I'm not crazy, no  
Tell me I'm not crazy, no

I have a hard time admitting to myself  
I lost the best thing that I ever had  
Not a day goes by, goes by without you on my mind

I wish you all the best  
I wish you all the best  
It's time now for letting go  
I wish you all the best

It's time now  
It's time now
