

Never Forget

Lovehammers

Wander through the moon times
I can't hear what you're sayin' no more
Try to walk down your fine line
But still I always seem to stray from the normal yeah

Screaming time again
Never so nervous
Never in front of my friends
I feel strange again

Breaking my way
Don't ask what I should do today
Cause today will remain without motion

God as my former witness
I swore I would never change for you
A man that seeks forgiveness
Never seems to change for any damn good - no way

Screaming time again
Never so nervous
Never in front of my friends
I feel strange again

Breaking my way
Don't ask what I should do today
Cause today will remain without motion
Believe

Oh yeah
Oh yeah

No I can't, no I won't, no I will never forget
Years have past, time is gone, no I will never regret
No I can't, no I won't, no I will never forget
Years have past, time is gone, no I won't - no

No I won't
No no I won't I won't

Yeah
Yeah
Yeah
Yeah

No I can't, no I won't, no I will never forget
Years have past, time is gone, no I will never regret
No I can't, no I won't, no I will never forget
Years have past, time is gone, no I won't - no

No I won't
No no I won't I won't
