No, no Don't end things like this
For me, for me I'm still curious about a lot
Our love is like an unfinished novel
But you're trying to close the covers

I know, I know I'm so stupid
Yes, yes I'm all alone So some day, you can
Open the cover and see me again
In between hope and anxiety

Wait, here I am
In the frozen time
Look here I stand
So you can easily find me
Come back, here I stay
So it's not too late
Remember, I'm always here

I'm always in the same place
Holding tight to the meaning of you as I live again today
I hope the empty spaces will be filled
All my parts that haven't been filled
I hope they get filled with you
After carefully folding our memories
That were written deeply, word by word
I turn back and shed tears

Drawing you out in my heart once again
Everything to me

No, no Even if it's sad
Tears, tears I won't shed them
There's still so much left to our story
It can't be smudged by tears

Do you know, do you know? We were so happy
I don't know, I don't know Why did you leave me?
I'm praying again today I'm still right here
In between laughter and tears

Wait, here I am
In the frozen time
Look here I stand
So you can easily find me
Come back, here I stay
So it's not too late
Remember, I'm always here
