The wind softly blows  
And comes through the open window  
Shaking up my memories  
Now I know why I couldn't sleep for all this time

I thought it would hurt more  
I thought I would hate you more  
But I feel more at rest, now I know why

I was upset As much as I was too young  
I said I liked you but only thought of myself  
At our inexperienced break-up My heart got ahead of me  
That's why I got hurt

Now I wanna tell you  
Love this emotion  
In a corner of the times that I've had  
I'm so glad you were there, goodbye

The only moonlight  
My eyes hurt, tears rise up  
A smile slowly spreads  
In the spilling memories, you are there

If only I knew your heart more  
If only we looked into each other's eyes  
Would we have come farther? Now we'll never know

I was upset As much as I was too young  
I said I liked you but only thought of myself  
At our inexperienced break-up My heart got ahead of me  
That's why I got hurt

Now I wanna tell you  
Love this emotion  
In a corner of the times that I've had  
I'm so glad you were there, goodbye

Tossing and turning, I wake up at once  
Countless nights I couldn't fall back asleep  
I'm drawing you out on the corner of the past  
Memories of you fill my heart  
Now I'm trying to erase and empty it out

I was upset, as much as I believed in you  
I took you for granted  
I didn't think of you

Now I wanna tell you  
Love this emotion  
In a corner of the times that I've had  
I'm so glad you were there, goodbye
