I'm Fallin'

You you you you you
You you you you you
I'm Fallin' in your eyes Listen

An unknown warmth
Comes and fills me up
Your voice and even your face
Even your child-like eyes
Slowly, are we resembling each other?

If I'm alone, I get lonely
Farther away, lonely
This sweet dreaming
I wanna look at you all day

Into each other's eyes, fallin'
All moments of the day, I'm fallin'
When our hands touch, will you call my name?
So I can prettily draw you out?
Even if the colors all fade, I'm fallin'

I hope you're my last
I hope my prayers will be answered
Small scars, even tears
Even fights we may have
Everything stops, they will all pass

If I'm alone, I get lonely
Farther away, lonely
This sweet dreaming
I wanna look at you all day

Into each other's eyes, fallin'
All moments of the day, I'm fallin'
When our hands touch, will you call my name?
So I can prettily draw you out?
Even if the colors all fade, I'm fallin'

I wanna be like the first time every day
Even if we get comfortable and numb
Let's keep the feeling of our first love
If it's you, I'm confident
Without change, until always

Into each other's eyes, fallin'
All moments of the day, I'm fallin'
When our hands touch, will you call my name?
So I can prettily draw you out?
Even if the colors all fade

I'll Be There, always by your side
I'm Fallin'
