Your eyes are filled with a love confession
It has stolen my heart
Without knowing
I fell into the pink light love

On your lips there's a smile
Hanging happily
But you don't even know
Shubudibudibudibudi

Tell me Tell me
Love me Love me
Show me Show me
Hold tight to my balloon-like heart
If you let go, I might fly away
I don't know, don't know, don't know
My fluttering heart might explode
Then what do I do?

The more I learn about it, the more I don't know
Your heart, my heart
I pretend I don't know anything
About you and me

L O V E L Y Z
Kiss me
For the First Time

Tell me that you only see me
Don't be shy and change the subject
Love takes braveness
If you want me

I want to hide
In your cozy arms
Only hold me
