I wanted to be honest with you
And tell you I liked him first
But the reason I couldn't
Is because that person likes you

The moment I realized,
Felt like I was standing on the edge
Every time you talked about him
I felt like you would find out about my heart

It's a secret but actually, I like him
For a long time, I liked him by myself
I couldn't even say anything but only looked
My heart prickles every time I see you
I'll try to comfort my sharpened heart
Till it wears out

It prickles every time I see you

My heart pounds when you talk about him
It prickles when I look into your eyes
How should I tell you?

When I'm with you, when you talk about him
Feels like I'm standing on the edge
What if you confessed to him?
Feels like you'll find out about my heart

It's a secret but actually, I like him
For a long time, I liked him by myself
I couldn't even say anything but only looked
My heart prickles every time I see you
I'll try to comfort my sharpened heart
Till it wears out

Some day, after time passes, should I tell you?
So we won't be in pain
So we can just laugh it over

It's a secret but I think this is it for me
I'll forget everything
So our precious memories won't turn sad
It hurts but you're more precious to me
I'll try to comfort my sharpened heart
Till it disappears

It prickles every time I see you
My heart pounds when you talk about him
It prickles when I look into your eyes
I'll understand
I'll forget him for you
