I hear it from far away, making my heart flutter
A smile spreads from the trembling

Like sweet candy,
The twinkles make me smile
It keeps calling out to me
I don't wanna lose this feeling,
I wanna see you closer
So I'm tuning my ears to that sound

Let me hear it a little closer, ding dong deng
A treasure chest hidden deep in my heart
A question mark at the end of the ringing
Come to me, to me, to me

Make me hear the twinkle
I want to know the start of this fluttering feeling
I'll trust in this moment's trembling
So I can feel it a bit deeper
Come to me a bit clearer

What to choose among the countless heart pounding feelings?
One, two, three, four, there's so many good ones
Show me your light more clearly

Let me hear it a little closer, ding dong deng
A treasure chest hidden deep in my heart
A question mark at the end of the ringing
Come to me, to me, to me

Make me hear the twinkle
I want to know the start of this fluttering feeling
I'll trust in this moment's trembling
So I can feel it a bit deeper
Come to me a bit clearer

This blooming smile
And this feeling right now, I won't forget

Make me hear the twinkle
I want to know the start of this fluttering feeling
I'll trust in this moment's trembling
So I can feel it a bit deeper
Come to me a bit clearer
