

Heartbreaker

Loverboy

Come on, baby!

Well she's crazy like a fox! She's hungry like a wolf!
Her daddy didn't need her, so she reads a good book!
She's like a tangerine you pick from the tree in the Garden of Eden!
You can look, but don't eat!

But she's ready and willin', and it's killin' me!
Ready and willin', and it's killin' me!
Ready and willin', and it's killin' me!
Yeah!

Whoa~, I shoulda known, I shoulda known a little bit better!
Sometimes the heart, sometimes the heart needs a heartbreaker!
Oh, if I die tonight, it'll be alright 'cuz I'm with her!
Sometimes the heart needs a heartbreaker!

Yeah, she talks like a man! She walks even faster!
A devilish grin, a beautiful disaster,
But definitely somethin' worth gettin' lost in!

Yeah, she may be from Heaven! She may be from Hell!
She may be from Jersey! Hell, I can't tell,
But she's causin' my whole world to spin

'Cuz she's ready and willin', and it's killin' me!
Ready and willin', and it's killin' me!
Ready and willin', and it's killin' me!
Yeah!

Whoa~, I shoulda known, I shoulda known a little bit better!
Sometimes the heart, sometimes the heart needs a heartbreaker!
Oh, if I die tonight, it'll be alright 'cuz I'm with her!
Sometimes the heart needs a heartbreaker!

I shoulda known better!

'Cuz she's ready and willin', and it's killin' me!
Ready and willin', and it's killin' me!
Ready and willin', and it's killin' me!
Yeah! Yeah! Yeah~!

I shoulda known, I shoulda known a little bit better!
Sometimes the heart needs a heartbreaker!
Oh, if I die tonight, it'll be alright 'cuz I'm with her!
Sometimes the heart needs a heartbreaker!

I shoulda known, I shoulda known, I shoulda known better!
Yeah! Yeah! Yeah!
Oh, if I die tonight, it'll be alright 'cuz I'm with her!
Sometimes the heart needs a heartbreaker!

Yeah, sometimes the heart needs a heartbreaker!
Sometimes the heart needs a heartbreaker!
