

# It Don't Matter

Loverboy

If you can read between the lines  
Then you can tell me what my next move will be  
It's just a matter of time before the whole wide world will see

And when you tell me that I'm wrong  
In the morning, I'll be gone  
And if you've heard it all before  
Then it just don't matter no more

Why don't you tell me what you're after?  
Why don't you say what's on your mind?  
How will you feel the morning after,  
When all there is is what I've left behind?

And when you tell me that I'm wrong  
In the morning, I'll be gone  
And if you've heard it all before  
Then it just don't matter no more

It don't matter no more  
It don't matter, matter to me  
It don't matter no more  
Ooo-ooh-hoo

And when you tell me that I'm wrong  
In the morning, I'll be gone  
And if you've heard it all before  
Well, it just don't matter no more

Why don't you tell me what you're after?  
Why don't you say what's on your mind?  
How will you feel the morning after,  
When all there is is what I've left behind?

'Cause when you tell me that I'm wrong  
In the morning, I'll be gone  
And if you've heard it all before  
Well, it just don't matter no more

It don't matter no more  
It don't matter  
It don't matter  
It don't matter no more  
Ooo-ooh-hoo  
It don't matter no more  
It don't matter, matter to me  
It don't matter no more  
It don't matter  
It don't matter  
It don't matter no more  
Look around, baby  
It don't matter no more  
Ooo-ooh-hoo, hey

Read between the lines  
Read what's on my mind

Don't matter, don't matter, don't matter to me  
It don't matter, it don't matter to me, to me  
Ooo-ooo-ooo, ooo-ooo

Read between the lines  
A-doo-ba-da-wa-doo-way  
Doo-bah, doo-bah, day  
Hey, hey, hey  
Don't matter to me, don't matter to me  
Don't matter to me what they say  
What they say  
Ooo, ooo, ooo, ooo
