

# Love Of Money

Loverboy

You live your life  
Like there's no tomorrow  
Nothing ever hurts, no, no...  
Never beg, steal, or borrow  
When things were looking good  
You were riding on the top  
But did you ever wonder  
What'd you do if it ever stopped?

Now the jokes on you  
But you don't think it's funny  
All for the love of money.

Try working for a living  
Try waiting for a bus  
You know it don't come easy  
Like the rest of us  
You got no idea  
Always asking for more  
But you just bought it baby  
That's what you bargained for

Now the jokes on you  
But you don't think it's funny  
All for the love of money.

What mommy don't know can't hurt  
She's trying to avert  
Another disaster  
Now your out on the street  
Your big boys couldn't meet  
What you asked for  
Look who's laughing now  
But you don't think it's funny  
All for the love of money

Now the jokes on you  
But you don't think it's funny  
All for the love of money.

Now the jokes on you  
But you don't think it's funny  
All for the love of money.

All for the love of money  
All for the love of money
