The Kid Is Hot Tonite

Loverboy

We just heard of a brand new way And we hope it's here to stay We'll have to wait and see if it's half of what they say

We heard he opened up a brand new door Well you know that's what I'm lookin' for We'll have to wait and see if it makes you shout for more

How do you like him so far? How do you like his show? How do you like the way he rocks and the way he rolls? How do you like his image? How do you like his style? How do you like the way he looks and the way he smiles?

The kid is hot tonight Whoa, so hot tonight But where will he be tomorrow? The kid is hot tonight Whoa, so hot tonight But where will he be tomorrow?

And we just heard of a brand new fad And they say it's gonna drive you mad We'll have to wait and see if it's the best you ever had

And we just heard of a brand new wave We heard it's heading for an early grave We'll have to wait and see if there's anything we can save

How do you like him so far? How do you like his show? How do you like the way he rocks and the way he rolls? How do you like his image? How do you like his style? How do you like the way he looks and the way he smiles?

The kid is hot tonight Whoa, so hot tonight But, tell me, where will he be tomorrow? The kid is hot tonight Whoa, so hot tonight But where will he be tomorrow?

The kid is hot tonight Whoa, so hot tonight But where will he be tomorrow? The kid is hot tonight Whoa, so hot tonight But where will he be, where will he be? The kid is hot tonight But where will he be tomorrow? The kid is hot tonight Whoa, so hot tonight Whoa, so hot tonight
