

For A Second

Low Level Flight

Slowly memories unwind
Slow motion in black and white
First you lead me on, then you let me down
Now I twist and turn
Sleep wont come around

I thought I'd seen it all, but you had more to show
My fist went through the wall
I guess you'd never known
Cause for a second I thought I was home

Slowly I walk into the unknown
Footsteps echo off the floor
Now its time to go
Everything here has changed
This vacant house is gone, as it starts to rain

I thought I'd seen it all, but you had more to show
My fist went through the wall
I guess you'd never known
Cause for a second I thought I was home
For a second thought I was home
Yeah for a second I thought I was home
I'm not home
For a second I thought I was home
