

Eleanor

Low Millions

Fine, I understand
Okay with me, if thats the plan
You can take the stereo, the TV and the video,
The bed, the sheets and pillows,
Before you go.
But for now, unlock the door
What are we doin' all this for?
Let me make you dinner one last time
Then you'll go your way, and I'll go mine.

And I won't call you baby, (anymore)
Won't call you baby (like I did before)
Won't call you baby, anymore
Eleanor

You left your smell, you left your taste
You left me here with my mistakes
And I can't relate to what you say I've done
But just for you, I'll bite my tongue

And I won't call you baby, (anymore)
Won't call you baby (like I did before)
Won't call you baby, anymore

Eleanor I miss you
Eleanor be well
Eleanor I wish you'd release me from your spell

Come on!
Eleanor!
Do it!
You can- Do it!

And I can't call you baby, (anymore)
Won't call you baby (like I did before)
Won't call you baby, anymore

No I can't call you baby, (anymore)
Won't call you baby (like I did before)
Won't call you baby, anymore
Eleanor
