

Fade Away

Low Roar

Sometimes it feels
Like this is never ending
Sometimes you feel
Like you'll always wake up
And nothing will change

Fall in routines
Accept who you are
Forget to say goodbye
Like you'll say it again
Like nothing will change
Nothing will change

(Nothing will change)

Sometimes you feel
Like this is never ending
But we all fade away

I can't conform to
The minutes you've offered
Pale as the moonlight
There's blood in the candle
Flickering flashing
Wavering crashing
Stuck in the middle
I'll float like a feather
In a bed that never keeps you warm

People come and go
We try to suss out when
But that's how the story goes
That's how the story ends
