

Give Me an Answer

Low Roar

I'm taking everyone out for a ride, I promise it won't take long

It's such a silly disguise that you're hiding behind, but don't take it wrong

I know the time and the space that you need, it's blurry but I'll get on

It's getting hard to tell day from a day, just say it and I'll move on

A simple response would make this okay, it's foggy but what do you want?

I keep running, the faces and places remind me of who you are
