

## Half Asleep

Low Roar

I woke  
Half asleep  
Pitch dark  
Pitch dark

Rise up  
And stay a while  
And pay it off  
Pay it off

Make up  
I'm helping my heart  
Trying  
I'm trying

The morning fault  
Hit my will to leave  
The more we talk  
The less I will  
It near  
Here
