

## Hummingbird

Low Roar

Tentative captain  
Don't keep your eyes on the ground  
Heaven's been offered  
Leaving this earth is such a beautiful sound  
I'm safe when I feel I don't feels not around  
So I'm leaving tomorrow

Hesitant captain  
It's too late to turn back around  
The party is waiting  
And leaving this earth is such a beautiful sound  
I feel when I feel I don't feels not around  
So I'm leaving tomorrow

Don't cry for me I'm the talk of the town  
And don't worry mother  
I blow kisses to you while the sun's going down  
Tell dad I'm alright and I'll see him around  
Maybe tomorrow...

Leaving this earth is such a beautiful sound
