

I'm Leaving

Low Roar

The sounds cemented down
Circus of repeating clowns
Just over and over, a crown
Chorus of repeating sounds

Time to make the ugly lovely
Time to make the lovely ugly

So I'm leaving

Stopped in a lesson, shot down
Sirens are ringing all around
Time to make me into something
Then time will turn me into nothing

So I'm leaving
I'm leaving
I'm leaving
I'm leaving

So I'm leaving
I'm leaving
I'm leaving
I'm leaving

So I'm leaving
I'm leaving
