

# Phantoms

Low Roar

Please I need new parts  
Stolen  
Crawling  
Wondering through this world  
Hardly flailing around  
Around

No clap in the dark  
Lonley  
Searching  
Absence isn't sparse  
Keep my head in front now

And my mind feel safe  
Over-faking  
Failed to keep my pace  
Set my airplane  
Down
