

## Please Don't Stop (Chapter 1)

Low Roar

Keep words away from  
My mouth  
Nothing I say now  
Will help

Cause if all I have to lose  
Is standing in my way  
It's you I'll have to choose  
But please don't take it the wrong way  
Please don't take it wrong

My heart is changing  
Hollow  
My face is aging  
Chain my love

Cause if all I have to lose  
Is standing in my way  
It's you I'll have to choose  
But please don't take it the wrong way  
Please don't take it wrong
