

Please Don't Stop

Low Roar

Keep words away from
My mouth
Nothing I say now
Will help

Cause if all I have to lose
Is standing in my way
It's you I'll have to choose
But please don't take it the wrong way
Please don't take it wrong

My heart is changing
Hollow
My face is aging
Chain my love

Cause if all I have to lose
Is standing in my way
It's you I'll have to choose
But please don't take it the wrong way
Please don't take it wrong

Please don't take it the wrong way
Please don't take it wrong

Keep words away from
My mouth
Nothing I say now
Will help

If all I have to lose
Is standing in my way
It's you I'll have to choose
Please don't take it the wrong way
Please don't take it wrong
