

## Hatchet

Low

You'll be my Charlie  
And can be your George  
Let's bury the hatchet  
Like the Beatles and the Stones

They'll play our songs forever  
On the radio  
Let's bury the hatchet  
Like the Beatles  
The Beatles and the Stones

I know you got a thing  
For ordinary guys  
But I've heard your records  
And they sound a lot like mine

So you'll be my Mary-Ann  
And I'll be your Yoko  
Let's bury the hatchet  
Like the Beatles  
The Beatles and the Stones

Like the Beatles  
The Beatles and the Stones
