

## Real Thing

Lower Dens

I'm married to  
A terrific guy  
I'll never leave  
Until I die

But I just love to get out and get it on  
I don't wanna live possessed by a memory  
I want to be young, I want to dance with an abandon  
And I don't care about the real thing

Everywhere I go  
I'm reporting from the scene  
Of somebody's  
Missed opportunity

I love you. But it's not enough (But why?)  
Baby, I just know. There's so much more

But I just love to get out and get it on  
I don't wanna live possessed by a memory  
I want to be young, I want to dance with an abandon  
And I don't care about the real thing
