Tea Lights

Lower Dens

On the high seas
I'm the north wind
In the lighthouse
The eclipse

I hear you cry
To no one in particular
Bury us
With our ships

Tea lights in the sand
Tea lights in the sand
Tea lights in the sand
Tea lights in the sand

Tea lights in the sand
Tea lights in the sand
Tea lights in the sand
Tea lights in the sand

Tea lights in the sand
Tea lights in the sand
Tea lights in the sand
Tea lights in the sand
