

Feel It Again

Lowlife

I think that this time I got too close to the line
I swear that I don't know myself
But what a little mystery the world starts to look kinda differently
I know that this time I have

Been to hell and back but I'm home again
Alone again
Time is changing, I can't feel
I feel it all over again

Yeah yeah, I feel it all over again
Yeah yeah, I feel it all over again
Yeah yeah, I feel it all over again
Yeah yeah, I feel it all over again

I been to hell and back
Fell through the cracks in the cul de sac
You over that?
I'm Bored of being told that I'm a maniac
Well
I think that your losing your mind
Seems you're way to close
Over stepping the line
But
Every time I try to make some sense up in my mind
I start to feel it again
I start to feel it again
I start to feel it's pretend and it strange what I'm in
And then I get the feeling I'm 'bout to fall back again ahh

Been to hell and back but I'm home again
Alone again
Time is changing, I can't feel
I feel it all over again

Yeah yeah, I feel it all over again
Yeah yeah, I feel it all over again
Yeah yeah, I feel it all over again
Yeah yeah, I feel it all over again

I'm lost in my dumb luck
I'm lost in my dumb luck
I'm lost in my dumb luck
I'm lost in my dumb luck

Yeah yeah, I feel it all over again
Yeah yeah, I feel it

I'm lost in my dumb luck
I'm lost in my dumb luck
I'm lost in my dumb luck
I'm lost in my dumb luck
