Na na na na na na
Na na na na na na
Na na na na na na
Na na na na na na

Stick another thought in my mind
Can't be yours can't be mine
Can't be yours but I try
To be the best man I can be
But you see it's hard in a world
Where envy and greed take over
Yo that cop pulled me over
But officer I'm the shofa
Just get me back to my sofa
It's a the wrong night
I'm alright
Chilling with my cuffs up
I bluff you bluff you search me down
You search my whip
But nothing found
I'm alright
Search light
I pass the breathliser
No I'm wiser than that to drink and drive
It's one reason I'm still alive

I'm like ah
Like a shotgun signature
Oh
Like a shotgun signature
I'm like ah
Like a shotgun signature
Oh

I'm coming for all of you
I'm coming for all of you
I'm coming for all of you
I'm coming for all of you

Na na na na na na shotgun
Na na na na na na shotgun
Na na na na na na shotgun
Na na na na na na

Hazy eyes, maybe I'm tryna drive from what I had to do
Maybe I'm trying to find something I thought I could never lose
And I lose my mind time to time, but return coming back from another avenue
80 miles, oversized, blurred lights, only now it seems like heaven knew
Late nights, more life, cold times, brake lights, it's fine
Well hittin' 85, but still a long drive
And I haven't heard from you in years, so why right now do you expect an answer
I've gone through all the gears, I'm moving faster, moving faster

Regrets of a teenage psycho
Cassettes in the decks that I borrow
Regrets of a teenage psycho

Cassettes in the decks that I lalalalalala

Regrets of a teenage psycho
Cassettes in the decks that I borrow
Regrets of a teenage psycho
Cassettes in the decks that I lalalalalala

I'm coming for all of you
I'm coming for all of you
I'm coming for all of you
I'm coming for all of you

I'm like ah
Like a shotgun signature
Oh
Like a shotgun signature
I'm like ah
Like a shotgun signature
Oh

I'm coming for all of you
(Na na na na na na) like a shotgun signature
(Na na na na na na) just like a shotgun signature
(Na na na na na na) like a shotgun signature
(Na na na na na na) just like a shotgun signature
