

Sometimes

Lowlife

Sometimes I go out
I don't pay for the bill
Sometimes I steal shit
Just for the thrill
Sometimes I say shit
I don't really feel
It's like sometimes
Sometimes, sometimes
Ride my whip with
No hands on the wheel
Blowin up with that mass appeal
Sometimes
No bro you're always ill
It's like sometimes
Sometimes, sometimes

Sometimes I might get my fight on my mike
Tyson on I'm gone riding on his white tiger
And it's on fire
Hoping over barbed wire
Can't get much higher
I can't get much high than this
I lost my very last wish
Ah, Sometimes I admit
I may lose my shit
Ahhh you're losing it
Sometimes I know
I see it and
I'm choosing it
Cruise control on
We gone like

Sometimes I go out
I don't pay for the bill
Sometimes I steal shit
Just for the thrill
Sometimes I say shit
I don't really feel
It's like sometimes
Sometimes, sometimes
Ride my whip with
No hands on the wheel
Blowin up with that mass appeal
Sometimes
No bro you're always ill
It's like sometimes
Sometimes, sometimes

Take down the world
Leave a taste in your mouth sour
300mph when I hit onto the power
Now I'm speeding
Wheels squealing
Well man I get that feeling
By the evening
I'll be kneeling
Hands behind my back

And sirens I'll be hearing
I hear em too but got nothing to lose
So do what ya gotta do
MOVE
Faster passing traffic erratic running red lights
So sit tight
The flashlight might feel bright at midnight

Sometimes I go out
I don't pay for the bill
Sometimes I steal shit
Just for the thrill
Sometimes I say shit
I don't really feel
It's like sometimes
Sometimes, sometimes
Ride my whip with
No hands on the wheel
Blowin up with that mass appeal
Sometimes
No bro you're always ill
It's like sometimes
Sometimes, sometimes

Sometimes I feel I'm going crazy
Sometimes I feel my vision going hazy it ain't worth it no more
Sometimes I feel like everybody out to get me oh
So just come and get me!

It's like sometimes
Sometimes, sometimes
