

Fighting With Myself

LP

The battle has just begun
You tell me I'm not the only one
Because he's been loving you
And you're all carried away

But baby, I can't pretend
I'm telling you this shit has to end
What are you running to
Don't you make me play this game

Hey, you're killing me, whoa, it's hitting me
Everytime you go is bringing me low
Stop bringing me low

You know you're not making sense
No baby, don't keep me on the fence
Because I'm in love with you
Just in case you didn't know

Lost in a state of imagination

Fighting with myself
Me and no one else
And I can't win the war
I can't win the war

Fighting with myself
Burning in my hell
And I've been here before
I've been here before

Why can you look into my eyes and be so cold?
Don't wanna be alive if I can't hold
You don't like this anymore
Hope I live to tell

Fighting with myself
Fighting with myself

A knife goes through a heart
A look, a kiss, a spark
Everyone knows the tune
But they hope it never plays

Say you wanna be, holding on to me
Begging you baby please
Don't leave me alone
Don't leave me alone

Lost in a state of imagination

Fighting with myself
Me and no one else
And I can't win the war
I can't win the war

Fighting with myself

Burning in my hell
And I've been here before
I've been here before

Why can you look into my eyes and be so cold?
Don't wanna be alive if I can't hold
You don't like this anymore
Hope I live to tell

Fighting with myself
Fighting with myself
I'm fighting with myself
Fighting with myself

I've been through this before
And I know know
That I can't win the war

I've been through this before
And I know know
That I can't win the war

Why can you look into my eyes and be so cold?
Don't wanna be alive if I can't hold
You don't like this anymore
Hope I live to tell

Fighting with myself
Fighting with myself
I'm fighting with myself
Fighting with myself
