

# Suspicion

LP

Cut right to the chase and  
Choose your words to make it clear to me  
You seem so heaven sent but  
Somehow I still invent the fear in me  
A lie is just a lie  
A cry is still a cry  
The past becomes the crime in my mind

Suspicion, suspicion  
How you've changed my heart  
Suspicion, suspicion  
Unchain my heart

Crippled cruel emotion  
Enough to make an ocean turn to green  
The silliest of notions  
Why Romeo took potion basically  
To be or not to be  
To cheat or not to cheat  
Believe or not believe that you're mine

Suspicion, suspicion  
How you've changed my heart  
Suspicion, suspicion  
Unchain my heart  
Suspicion, suspicion  
How you've changed my heart  
Suspicion, suspicion  
Unchain my heart

Anywhere you go all roads still lead to  
It's harder than you know to be led back to

Suspicion, suspicion  
How you've changed my heart  
Suspicion, suspicion  
Unchain my heart  
Suspicion, suspicion  
How you've changed my heart  
Suspicion  
Unchain my heart
