

# When We Touch

LP

When we touch  
I remember how I missed you very much  
When we touch  
No amount of time could ever be enough

Oh  
We're a river to an ocean in denial  
Oh  
Will we ever find our way back to the wild?

When we touch  
It all comes back to me, I missed you very much  
When we touch  
No amount of time could ever be enough  
So let me grow wise  
In my exile  
Darker than the nights  
Longer than the miles  
You still break my heart of stone  
Now I know I'm not alone

When we touch
